

Sherman Avenue Affordable Senior Housing Project

Sherman Avenue Affordable Senior Housing Project will feature 540 square foot one bedroom, one bath floor plan with living room and kitchen. All units will have an emergency call pull-cord system installed in the bathroom and bedroom. All units will be adaptable to accommodate any residents who become handicapped and might need adaptable spaces.

The building has been designed as a three story structure with reduced parking to accommodate the needs of residents with automobiles. The building will be secured with a security system for the protection of the residents. There will be a resident manager to manage the project.

On-site Amenities:

- Computer room/library
- Community room w/adjacent kitchen
- Laundry facility
- Outdoor recreation space

- Located at the N.E. corner of Sherman Avenue and Eighth Street
- 39 very low income senior housing units
- One on-site resident manager unit

To be placed on an interest list for leasing a unit at the Sherman Avenue Senior Housing Development, call (866) 367-7364, and specify your interest in the Sherman Avenue Apartments in the City of Corona.
